Sir,

Nilesh has asked to provide front end for table "REP_SPECIFIC_AD". This table is not part of ERP but they are using it for BI report purpose.

Need your approval on the same. Also let me know whether any internal request to be prepared or CCF required from Nilesh or to be developed under support request.

Regards

Dear Rajesh

U already implemented n checked in case of Anil Deshantri . u may recheck n do the needful accordingly

however

Off site allowance is taxable and it should be inserted below Adv Bonus . so that in Total it count and thus taxable income calculate automatically

Regards

Rakesh
