Dear Piyushbahi,

At the time of ITM to Metis migration plan, we have not taken below option but at Hungary location, they are using this option so we need to convert into Metis. Request you do the needful.

- 1) Tour Planning
- 2) Tour Programme
- 3) Training
- 4) Training Execution.

Following module to be convert into Browser base.

- 1) Separation
- 2) Separation Close
